Re: School Start Up

Dear Families,

We look forward to another great year of learning here at Coronach School and anticipate the arrival of our students in September. A reminder to all families that the first day of school for K-12 students starts on **Wednesday, September 01, 2021**. Those students registered in Pre-Kindergarten will be starting on an alternate schedule. Pre-Kindergarten students start dates were indicated in the acceptance letters that were issued in June. If you have a child in Pre-Kindergarten and are unsure of their start date, please contact the school. Any waitlisted students that are accepted into the Pre-Kindergarten program will be notified the second week of September. At this time you will be informed of your child's official start date and the school supplies needed for Pre-Kindergarten.

A reminder that this year Poplar River Pharmacy and Coronach School have partnered up to make your school shopping experience as simple as can be. Starting **Tuesday, August 03, 2021** families were able to find grade specific school supply packages available on our online store at:

<http://www.poplar-river-pharmacy.myshopify.com>

All you need to do is look for the "school supply" heading and search by the grade you need. Add the package to your cart, pay, and we will look after the rest. Please note that gym clothes, a backpack, safety glasses and a badminton racquet will need to be supplied from home. For those students that don't need the full list of supplies, items will be listed individually as well.
