Dear Coronach School Community,

The last month of school for the 2022-2023 school year has arrived and the countdown to summer holidays has started. The last four weeks of this school year are extremely busy. The school has a variety of special events booked, such as SQX dance sessions, swimming sessions, and homeroom class excursion trips. Aside from these events, elementary students in grade 1-6 will have the opportunity to travel to Rockglen School to participate in a fun filled day of track and field. While this is happening our graduates will be busy getting ready for their graduation ceremony that will be taking place on Saturday, June 10, 2023, down at the Coronach Sportsplex at 6:00pm. We invite the entire community of Coronach and the surrounding area to come out to this special event and celebrate the accomplishments of our senior students. Lastly, our high school students, grades 9-12, will be busy over the next few weeks preparing and studying for final examinations and departmentals. We wish all of you the best of luck.

As it is the end of the school year, I would like to take this time to thank all our parents for their continued support and partnership during this unforgettable school year. To our School Community Council (SCC) words cannot express my appreciation for all the hard work you do. I look forward to our continued work together as we challenge ourselves and our students to set the highest standards and achieve ambitious goals moving forward. To the amazing Colts of Coronach School ... thank you for all your hard work throughout the school year. I am so honored to be your principal. I would like to wish you all the very best this summer vacation and I look forward to welcoming you all back, refreshed, for what will be an exciting, new academic year in the fall.

Cheers,

Mr. N Beselaere

5 Steps to Study Success

1. Not All Stress Is Bad

While it's often given a bad rap, the right amount of stress can motivate you to get stuff done. The key thing is to recognise when stress has tipped over from being a motivating force to an overwhelming emotion.

2. 20-Minute Study Rule

No one can study for six hours straight and be effective. Break up your time into twenty-minute chunks for the most effective use of your brain.

5 Steps to Study Success (Cont'd)

3. Say It Out Loud

The best way to really remember and learn is to talk about what you're learning out loud, without using any notes.

4. Breaks = Good, Constant Distraction = Bad

Taking planned and timed breaks will help you remain on task but checking your social every 5 minutes is a sure -fire study fail. Research shows that it can take up to twenty minutes to refocus on your task once you've been distracted.

5. Sleep & Healthy Eating Habits Are Your Friend

If you get a good night's sleep before your exam and eat a healthy breakfast in the morning, you are scientifically proven to retain more of what you studied than if you stay up late and miss breakfast.

During the week of **June 12-16, 2023**, all Coronach School students will have the opportunity to go swimming at the Coronach Pool. There will be a lifeguard on duty and depending on classes sizes three-five staff on duty. We request support of parents/guardians to please assist in the supervision of students during these days/times, especially with younger classrooms. Your child will be bringing home a permission form to be signed for them to attend. On the form please indicate if you can chaperone and your child's homeroom teacher will be in contact with you.

Home and School Connection Wall

We invite all our families to submit an updated family photo to the school so that we can proudly display our families on our main wall in the front entrance. Photos can be delivered in person or emailed to beselaere.nathan@prairiesouth.ca

We appreciate the photos we have received and look forward to receiving more soon.

SQX Dance Company

During the week of **June 05-08, 2023**, Kindergarten-Grade 8 students will have the opportunity to participate in several sessions conducted virtually through SQX. The mission of SQX is to use contemporary dance to promote kinship, collaboration, and teamwork.

Regional Kids First works with communities to support children and families in the early years by offering a variety of opportunities and programs.

Coronach School Athletics Sportsmanship Award

On **Friday, May 26, 2023**, Coronach School Athletics received not only one but two 2023 Sportsmanship award banners. These banners were presented to the senior girls and senior boys basketball teams by president of SHSAA, Al Wandler, and in partnership with SaskMilk. Every teammate received a certificate along with the coaches and staff liaisons. A huge congratulations goes out to both of basketball teams and to our school community (students, teachers, parents, community members) for promoting a positive school culture and honoring the importance sportsmanship plays in school athletics programs.

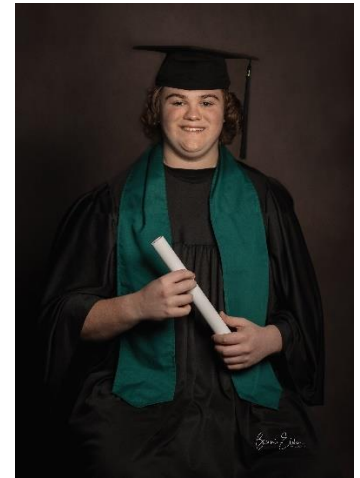

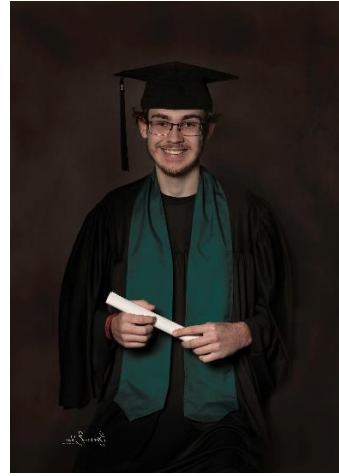

Learning Together

Congratulations to the Coronach School Graduates of 2023

The graduating class of 2023 requests your presence at their graduation ceremony on **Saturday, June 10, 2023, at 6:00PM** at **Coronach Sportsplex.**
