Dear Coronach School Community,

Spring is just around the corner, and with it comes a flurry of activities and events here at Coronach School. Although we are only in March we are starting to plan and get ready for the next school year. This month Prekindergarten and Kindergarten applications open for the 2024-2025 school year. If you have a child 3 or 4 years of age interested in attending Prekindergarten, please register them online, on the Prairie South school webpage.

K-12 second trimester report cards will be posted to MSS on Thursday, March 07, 2024. You will be excited to know that we are going to be sending home hard copies with students on the same day. This will provide you with valuable insights into your child's academic performance and areas of growth. High school students (grades 9-12) will receive their quarter three report cards on Friday, April 19, 2024.

Once again, we are thrilled to announce that Student Led Conferences will be taking place on Wednesday and Thursday, March 13-14, 2024. This is a wonderful opportunity for our students to showcase their progress and accomplishments throughout this academic year. Please mark your calendars and plan to attend using the online school platform which has been emailed to all families. If you have any questions or concerns regarding conferences, please contact the school. We look forward to seeing everyone so that together we can work to support our students in their academic journey.

As we approach the Easter season, we would like to extend warm wishes to all our families celebrating this joyous occasion. May this Easter bring you renewed hope, love, and happiness.

Mr. N. Beselaere

THRIVERS: Why Some Kids Struggle and Others Shine

This month as parents/guardians we challenge you to:

Help child identify stress signs or body warnings that alert you that you're losing control. Point out in context- louder talker, flushed checks, clenched fists-until child can identify her warnings, then teach how to cope, p 121.

Develop assertive comebacks that child can say in tough situations: "Not cool." "Cut it out." "I don't want to." Firm, short statements work best. Practice delivery using a firm-not wimpy-voice with head high, p 240.

This month as a school community we will be focusing on the character strength of **Perseverance**

"Thrivers finish what they start & don't need gold stars".

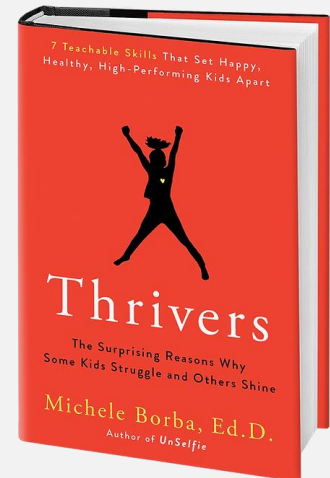

Perseverance: Exhibiting fortitude, tenacity, and the resolve to endure, to bounce back from failure, increase resolve to endure and develop personal agency.

Three abilities that nurture integrity: 1. Growth mind-set 2. Goal-setting 3. Learning from failure

Thrivers

The Surprising Reason Why Some Kids Struggle and Others Shine

Trait 6 - Perseverance

Summary

- Exhibiting fortitude, tenacity, and the resolve to endure, so as to bounce back from failure, increase resolve to endure and develop personal agency.
- Thrivers finish what they start and don't need gold stars.

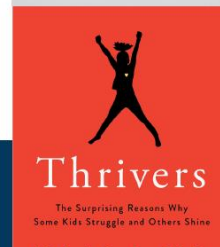

Why it matters

- Students with a growth mind-set are more likely to endure, specially after the pandemic.
- Research says that the: "the ability to stick to a task and a long-term goal is the greatest predictor of success and stronger than IQ, academic achievement, SAT scores, extra- curricular activities and test scores
