Week two of the 2020-21 school year is in the books! We have had a busy week settling into our routines, learning, laughing, and having fun. I am looking forward to ÉGS' Literacy Week Activities and our Terry Fox Walk next week! Please watch the ÉGS Facebook Page for a special family challenge on Monday to celebrate Literacy Week.

Your family will receive an email on Friday with a link to a survey asking you for feedback on our school start up with regard to the Health and Safety Guidelines. We are striving to keep students and staff as healthy as possible while in the school setting. It is important for us to know what is going well and where we need to plan to improve. I look forward to your feedback.

Have a great weekend!  
Ms. Froshaug
