### Indoor shoes

Just a reminder to have a second pair of shoes at school to change into for indoor wear. Merci!

### Microwaves

Parents are encouraged to send non microwavable school lunches. In an effort to minimize contact surfaces and maintain current sanitizing requirements, microwaves are to be used sparingly. Please see the attachment with this week's highlight giving some great tips for non reheatable lunch ideas!

Literacy Week was celebrated at ÉGS this week! We'd like to thank everyone who followed along with our facebook page and participated in the activities at home! Today we continued with Terry Fox's legacy and recreated his 26 mile Marathon of Hope by having students walk a section of the distance in their cohorts, pics to follow next week! Students pledged their support for cancer research with a hat day and ice cream sandwich fundraiser, and we will be doing a fundraiser auction of our retired school jerseys in the upcoming weeks. Our "School Start Up" Survey was well received, thank you to all of you who took the time to participate! Please take note that Monday, September 28 is an early dismissal, and we will be observing Orange Shirt Day September 30<sup>th</sup>. Please also be sure to check out the other attachments sent out with this week's highlights, including registration for Red Cross online babysitting course; an employment opportunity for casual facility operators; Nutrition Education and Parenting Workshops from the Sask Public Health Authority, and an online opportunity from Sask. Girls' United. Have a great weekend! everyone!
