A huge shoutout to our SRC for organizing last Friday's Halloween events, costume parade, and treat bags! A fun day was enjoyed by all!

### A Note from Ms Froshaug

It is hard to believe that the first week of November is already gone! The students have adapted quickly to our routines of washing hands, sanitizing desks, staying in cohorts, and keeping our physical distance and this has allowed us to get to the business of learning in a meaningful way. Next week students will be reflecting on their learning and preparing that reflection to share with you at SLC's this coming month.

Teachers will be calling each family in the coming week to provide information about Student Led Conferences, Report Cards, and to ensure that you can access MSS to view report cards once published. You will receive an email next week with instructions to book your virtual SLC.

The ÉGS Remembrance Day Ceremony will be held virtually this year. All parts of the Service will be pre-recorded. We will view the Ceremony at the same time from our classrooms. The link to the ceremony will be posted on our website and on Facebook that day as well. We invite you to join us November 10 at 11:11 by watching with us from your home.

Please remind your child to bring their reusable mask to school. We are finding that students are relying on the disposable masks much more frequently lately.
