### Library

A big thank you from Mrs Bailey to everyone for participating in our online bookfair and earning new books for our library! Mrs Bailey has begun the Christmas count down with a "12 Days before Christmas" daily draw! Three lucky students will be drawn daily to select a prize from the library!

Dear parents; Please do not use the daycare parking lot to pickup before and after school. Our elementary children are entering and exiting through this area and moving vehicles pose a danger to their safety. Please keep the area directly outside the elementary doors clear of all vehicle traffic and respect the no parking signs where posted.

Happy December! We have a fun-filled two weeks ahead of us. Next week ÉGS is Celebrating Education Week. The theme for Education Week is "Connecting and Learning in New Ways". We have all been Connecting and Learning in New Ways since March and I am constantly amazed with the innovative ways our staff is ensuring students are learning and connecting while following our safety protocols.

We have school-based activities that will use technology to foster connection and competition among our students and staff all next week. We also will be launching a Read-A-Thon Challenge Monday. We will reward the classes that read the most with a fantastic Pizza Party.

The SRC has been busy planning spirit days for the last week before holidays. Students and Staff are also busy practicing their submissions for ÉGS' Jingle Fest! We will be posting their Holiday Cheer on our Facebook Page the last week before break. I am especially excited as I am part of the ÉGS Staff Handbell Group. We have been having a lot of fun practicing our pieces to share with you!
