Our annual French Oratory competition was held January 22 and was livestreamed as a virtual event. Thank you to our judges, Mme Barbra Bedford, Mlle Chloé Pouteaux, and Al Sutherland, and to our MC for the afternoon, Mme Boisvert! Bonne chance to those students planning to compete with their poem at the Gravelbourg & District Bilingual Music Festival (virtual) in April!

CROSSWALK SAFETY

Please model for your children proper safety when crossing the highway to school. We would like for our school children to learn to use crosswalks independently on their way to and from school rather than crossing the highway from wherever they are. We appreciate your help in showing them the correct and safe way to cross! Merci!
