This year's King of Hearts went to Danny, assisted by Julien, proving teamwork is always the way to the win! And Layne proved that chocolate was indeed the way to a girl's heart!

It was a cold one this week! I guess Punxsatony Phil and his Groundhog buddies weren't kidding with their projections! With busses not running due to the extreme cold, English Oratory events have been postponed until after the break to the week of February 22<sup>nd</sup>. Students that braved the elements to make it into school proved that every opportunity is a learning one; Indoor recesses spent learning new board games gave students a chance to improve their social skills, taking turns and compromising, as well as lending time to discover new talents and interests they didn't know they had! The SRC participated in their virtual Leadership conference on Thursday, and have some fun fundraising activities lined up for Telemiracle when we return from the break! Friday was Red & White Spirit Day, and the high school students lobbied to collect hearts from their cohorts in the always popular King of Hearts game. We hope you all enjoy the school break starting February 15 and wish everyone a fun filled Family Day on the 18<sup>th</sup>. We will see you all back on the 24<sup>th</sup>! Happy Valentines Day!
