Tu Comptes Pour Nous
You Matter

Our second week of school saw everyone get right back into the swing of extra-curricular activities. We held our first hot lunch on Thursday, and Friday was Hat Day – it was great to see all the different head attire and the support for the Terry Fox Foundation.

We would like to remind you that if your child is showing any symptoms of illness they will need to stay home until they are symptom free. If your child is showing symptoms at school, we will isolate them and call parents to come and pick them up. Your cooperation, support, and flexibility is sincerely appreciated.

At this time, water fountains are set as only bottle filling stations. As such, we are asking that each child has their own water bottle for their hydration needs.

We look forward to our first five-day week! Monday Trivia will be back with classrooms competing against each other for the coveted monthly Trophy Of Greatness! We will also be having our first Spirit Day of the year. The first Monday of every month will be a chance to wear your Hawks gear or school colours, blue and white!

The SRC will be having a series of Hat Days:

Friday Sept 17
Thursday Sept 23

Your \$2 donation will go towards the Terry Fox Foundation

Carla Hildebrandt, PSSD Educational Psychologist was with us on Friday and presented to our elementary classes about Brain Diversity. She explained how everyone's brains work in different ways and how we can help and support each other. Thanks Mrs. Hildebrandt!

Thank you, Nolan and Ashley, for representing ÉGS at Golf Sections held at Thomson Lake! Congratulations Ashley, this year's Bantam Girls South Country Bronze Medallist!

At the beginning of every school year, it is important we update student's health information and contact information. Thank you for making quick work of returning these to the school; if you have not already done so, please be sure your information is updated and returned to the office promptly. Congratulations and Thank You to Miss Cozart's class for being the first class to return all their student forms! They were treated to ice cream treats for their quick attention to this important task.
