- **Senior girls volleyball home tournament**

Thank you to all the families who participated in our scavenger hunt at our open house Thursday in celebration of Education Week! Students enjoyed taking their parents through the school, visiting the classrooms and seeing the many ways our students are learning, and even discovered some fun facts about our staff! Draw winners will be announced next week!

Friday was Decades Day! Thanks to all everyone who participated!

Miss Wallington served up a learning buffet with a book tasting in her class! With lots of tasty titles on the menu to try, the 5/6 A class had a superbe sampling of some great books!
