20	21 Family Day	22	23	24	25	26
27	28					

We have powered through the month of January! Cudos to our high school students for completing mid term and final exams this week. We're looking forward to a fresh start in February as we begin second semester! Before we break for February break on the 21<sup>st</sup>, we look forward to Literacy Events planned for the week of February 7, English Oratory competitions on the 8th, and some Valentine's Day themed spirit day events ahead! We continue to raise funds for Telemiracle, and are eager to embark on learning adventures, like Mme Perrault's class and their flying contraptions created from exploring surface area and flight in Math. Effective Friday, January 28, parents are no longer responsible for notifying the school if their child tested positive for COVID-19. As such, schools will no longer be responsible for notifying parents/guardians of close contacts. Please continue to keep children home when symptomatic and inform the office when children will be absent from school, for any reason.
