News from the Hawks' Nest

Welcome To 2022! It was great to see so many smiling eyes yesterday as we returned to classes.

Further to my email communications, please find below a graphic Prairie South has shared on social media sites illustrating the steps to take if your child tests positive for Covid-19 (either by a rapid test or PCR test) or is deemed a close contact of a Covid-19 case from the school. Please remember, if you are ever in doubt of what to do, please call 811 for their guidance.

We have put in an order for Rapid Tests for all those who responded to my email on Thursday, January 6th. They should be arriving Monday or Tuesday. We will send them home with your child as soon as they get here. If you missed responding to the email, please contact the office to request a kit and we will submit another order.

We are excited to be holding our Annual French and English Oratory Competitions. The French Oratory Competition will be January 21 and the English Oratory Competition will be on February 8th. We will be live streaming this event so that the families and community can watch the competition.

I would also like to invite you all to take some time on Tuesday, January 11th to check out Dr. Robyne's presentation on Everyday Resiliency. We have attached the poster with the information to the newsletter.

Wishing you all a healthy, safe, joyful 2022!

Lona Froshaua
