- French Oratory
Live streamed Friday at 9:10 a.m. Link will be posted to EGS website Friday morning

Basketball practice
for all interested grades 5-8 students
Monday January 17
3:30 pm

News from the Hawks' Nest

This week went by quite quickly – I guess time does go by fast when you are having fun!

First of all, the École Gravelbourg Hawks would like to send out a HUGE “Merci” to the Heroes from the Gravelbourg Fire Department and Mr. and Mrs. Pagan for responding quickly and effectively to a fire in the wood shop early Thursday morning. Their quick action ensured that there was minimal damage to the wood shop and the shop was functional for Thursday afternoon’s class.

We would also like to say “thank you” to our students, caregivers, and staff for all the work they have been doing to ensure that we are providing a safe and educational environment. Caregivers, thank you for keeping students home if they are ill, letting us know if they test positive, and ensuring that you are following the instructions regarding close contacts.

If your child is at home our staff will do their best to gather and send homework. As you can imagine, this cannot always happen the first day your child is absent. If you request homework for your child, our staff will get it ready as soon as they can and then we will contact you when it is ready for pick up. We appreciate your understanding as we are gathering homework for multiple students while we are also covering extra classes and supervisions.

We are looking forward to next week and the challenges, chances to learn, and moments of joy and laughter it will bring. Take care of yourselves and each other.

Lona Froshaug

COVID-19 & Sask. schools

If your child tests positive for COVID-19:

Report it to the school office.

yes — Are they fully vaccinated? — no

Student must self-isolate for 5 days.

Student must self-isolate for 10 days.

COVID-19 & Sask. schools

What happens if my child was a close contact of COVID-19 in class?

yes — Are they fully vaccinated? — no

Are they symptomatic?

Are they symptomatic?

yes

no

yes

no

Stay home, test for COVID-19. If test is positive, self-isolate for 5 days. If test is negative, self-isolate for 48 hours after symptoms end.

Self-monitor for symptoms for 10 days. Can attend class, use bus, be in extra-curricular activities.

Stay home, test for COVID-19. If test is positive, self-isolate for 10 days. If test is negative, self-isolate for 48 hours after symptoms end.

Self-monitor for symptoms for 10 days. Can attend class, use bus. Cannot be in extra-curricular activities for 10 days.

La classe de Mieux Etre 9 & 10 B enjoyed the milder temperatures Wednesday to partake in some outdoor adventures; snowshoeing and making Inukshuks!
