THURSDAY, February 10

FRIDAY, February 11

- Non instructional Friday
No classes

We will be celebrating Literacy Week here at ÉGS next week!

We have a literacy scavenger hunt in the works, Reading Bingo, and Buddy Reading activities for students to enjoy, as well as Social Media challenges planned for the whole family to participate in from home! Students are looking forward to zoom sessions with Guest speaker, Chris Hadfield. Chris Austin Hadfield OC OOnt MSC CD is a Canadian retired astronaut, engineer, singer, and fighter pilot who has captivated the world with stunning photos and commentary from space. His books offer readers extraordinary stories from his life as an astronaut, and shows how to make the impossible a reality. Also joining us via Zoom, is Saskatchewan author Amber Antymnuik, author of H is for Home, a Saskatchewan Alphabet, and Grandpa's Garage.

And what better way to explore the written word than with our annual oratory presentations! Please join us Tuesday, February 8 for our English Oratory event, livestreamed at 9:10. The link will be posted to our ÉGS website.

Our senior boys' basketball team took to the courts this week in Assiniboia and Coronach, and are hosting a mini tournament with Briercrest and Assiniboia this weekend, beginning Saturday February 5 at 10:00.

GO HAWKS! MINI BASKETBALL TOURNAY
Saturday February 5, 10:00 a.m @ ÉGS
