cheer them on!

Go Hawks!

We celebrated EDUCATION WEEK at ÉGS! The grades 12's had a presentation from Jeff Feeley on career planning and then took a field trip to visit SK PolyTech and The Tunnels in Moose Jaw; the grades 3/4B and K/1/2A were visited by the grades 7/8B and 5As for buddy reading, and grades Pre-K to 4 enjoyed a puppet show from the Chinook Regional Library! Students made special cards for our bus drivers to express how much we appreciate them getting our students to and from school each day, and that they are a special part of our staff here at ÉGS. The School and SCC has ordered some personalized mugs made for each of them.
