- Sr. girls vball @ Glentworth

WEDNESDAY, October 5

- Cross country Districts
- Bantam boys home game vs Lafleche
- School clothing/ÉGS spirit wear sizing clinic
3:00 – 5:00 pm in the atrium

THURSDAY, October 6

- Bantam girls vball @ Lafleche

FRIDAY, October 7

- Non instructional Friday

Wednesday Sept 28 was our annual Terry Fox Walk. Older students buddied up with our younger grades and led them in our walk for a cure, and several students were proud to walk in memory or in support of someone on their own journey of strength and hope. Thank you to our ÉGS families and extended community for sharing in our fundraising initiatives! This year our total funds raised in pledges and school hat days was \$2,848! A HUGE SHOUTOUT to Mme Hartman's class, who accepted her challenge to meet their own fundraising goal and earned themselves a movie party in class!

School Picture Day is this Tuesday, October 4, and Off Side Apparel will be hosting a sizing clinic in the atrium Wednesday October 5. If you'd like to try on this year's spirit wear and School Clothing, please attend from 3:00 – 5:00 p.m. in the atrium. Order forms and information will be sent later in October.

**Bantam Girls' Home
Volleyball
Tournament**

Saturday
October 1
ÉGS
GO HAWKS!!

Today we observed **National Day for Truth & Reconciliation**. Older grades participated in a multi media presentation in a morning assembly, and classrooms participated in discussions and activities centre on this important theme. Mme Nathalie's students in 2B learned of a First Nations legend that spoke of the importance of children's voices to change the world, and made a craft of children words turning into birds. Mme Vero's 5/6B class learned about the importance of language in identity, drew connections to our own lives, then learned some interesting words from various FNMI languages. In 3/B Sciences, they learned how the life cycle of plants is represented in the art of Metis beadwork, then created their own life cycle art using pointillism and traditional forms from Metis beadwork. The 5/6B played first nations games, lacrosse and high kick in PhysEd.
