Christmas Holidays!!

It's beginning to look a lot like Christmas at ÉGS! The Grade 5/6 class made gingerbread houses, Mme Gauthier's arts Ed class presented Christmas music, dance and skits they prepared in class to the younger students, and Grade 10 -12 students had "Snow much Fun" at the slopes at Mission Ridge! The 1 & 2 B classes visited the Western Development museum to experience what a Christmas Long ago would have been like for children their age, and then enjoyed the museum! Staff & students are enjoying Christmas spirit week in their Christmas Hats and PJ's, don't forget to have your best outfits picked out for formal Day coming up Monday for all who wish to dress up! Join us at 2:30 Monday for our Student Celebration Assembly!
