March 15, 2024

Dear Parents and Guardians:

The Saskatchewan Teachers' Federation (STF) provided Prairie South notice of a one-day, rotating withdrawal of noon-hour supervision which requires all federation members leave the school during the lunch break. This withdrawal of service will take place on **Tuesday, March 19, 2024**.

Due to this restriction, we ask that your child(ren) go home for lunch as our ability to provide the same level of noon-hour supervision will be a challenge.

Prairie South Schools values our teachers and the important work they do for our students and communities, and we continue to respect the collective bargaining process rights of all our staff members.

To learn more about STF job actions, visit their website at www.stf.sk.ca.

Sincerely,

A handwritten signature in blue ink that reads "R. Baigien".
