"Grow To Be The Best You Can Be"

Principal's Message – Mrs. Karla Silbernagel

The theme for Education Week this year is “Reaching for Tomorrow, Celebrating Today” which we celebrate this week from October 17-21. In honour of this week, we invited parents and students (Grade 6-12) to a supper of Taco-in-a-bag, a tour of MSS, and to a very competitive volleyball game! Despite very close games, the parents still ‘got some game’. Unfortunately, the kids did manage to win 2 out of 3 sets. With a little more parent practice, we could have taken them.

Monday was also bus driver appreciation and we very much appreciate our three drivers: Merles, Darla and Laurie. Thank you for your commitment to safely delivering our students to and from school each day. We gave our drivers a little gift to show our appreciation for all they do.

On Tuesday, the K-5 parents were invited to Books and Breakfast. Our student waiters took orders and served their guests some very fine food of pancakes, bacon, eggs, and chocolate milk. After our breakfast, students read to their parents and showed off their new reading skills.

On Thursday, students will dress up in their future careers to “reach for tomorrow”, so we look forward to seeing what professionals show up in our building. I do hope some teachers show up as we always need more of them in our rural schools!

I want to thank all the parents who showed up to support their kids and the school. We hope to get you back in the school for more fun activities. Thank you to Trent and Christina Sayers for their donation of hamburger to the school! Thank you to Mr. Ficzel and all the staff who helped prepare food and to the grade 9/10 class who helped our waiters serve their guests. Thank you to Mrs. Stengler for preparing for our Books and Breakfast morning by making menus, decorating tables, and preparing a packet of information for our parents. Thank you to the rest of the staff for pitching in and helping wherever needed.

Our bantam volleyball has reached its conclusion. Thank you to Mrs. McCrea and Mrs. Seargeant who helped coach the team. We had a very young team and their skills improved throughout the season. Unfortunately, we don't have enough players to go to playoffs this weekend, but I hope they enjoyed the camaraderie of being part of a team. Sr. girls have had tournaments in Avonlea and Frontier and they managed a third place finish at Frontier. This weekend they are off to Bengough and we wish them the best of luck as they complete. Sr. boys were in Coronach on the weekend, and they had some tough competition. League games continue for both Sr. boys and girls into November.

I want to thank the many student volunteers we have to make our volleyball season run smoothly. We have always had enough students to ref, lines and do the score keeping for many of our games. It's great that students show such strong commitment to volunteering in our school. Bravo, Mavericks!

The end of October means that report cards are coming soon. I encourage all parents to log on to MSS and see if you have access to this platform. If you need any help, please call the school or come to the school and we can help you log onto MSS.

Good luck to Kiera Williamson who will be participating in the CCA finals this weekend. We are cheering you on!

Please make sure to keep contact information up to date.

Let the school know if there are any changes at any time!

Mankota School Mom's Pantry Fundraiser

Online orders: Online Number - 358265

Group Passcode - 36159

Students have order forms if you prefer not to order online.
