**"Grow To Be The Best You Can Be"**

## *Principal's Message – Mrs. Karla Silbernagel*

Time is flying and our calendars are filling up! I can't believe we are down to the last two months of the 2022-23 school year. I think the school years go by faster every year. Our quarter three report cards for our high school students were sent out on Tuesday. The next reporting period report card will be at the end of June for both elementary and high school students. If you are having trouble getting into MSS please let the school know. I encourage all parents to access MSS on a regular basis to ensure their child is keeping up in their courses. We have only a short amount of time to finish up second semester courses and there is still a lot of learning to be done before summer break!

Badminton has now come to an end for our students. The students went to section playoffs, both bantam and seniors, this past weekend in Gravelbourg. All the students had successes on the court and played some great badminton. They represented themselves and Mankota School very well. I want to particularly congratulate Kiera Williamson on her bronze medal in girls' singles. Congratulations, Kiera! Unfortunately, none of our students will advance to districts this coming weekend. Thank you to Suzie Loiselle and Kathy Rieder for driving for this event.

Some of our archery students attended an archery competition in Moose Jaw on the weekend. They had a great day shooting bows with hundreds of students across the province. The NASP tournament hosted between 600-800 archers over the two-day tournament. Thank you to Mrs. McCrea for coaching archery. Thank you to Danielle Rocheleau for transporting Sienna, Madison, and Nick to the tournament. Our archers will be participating in the Glentworth tournament May 12<sup>th</sup> weekend.

Mrs. Stengler has been attending some professional learning opportunities within the Division. She attended the writing workshop last week and is also attending the Fine Motor and Sensory Workshop on Thursday. She looks forward to implementing some of the new ideas from these days in her classroom. I attended the Leadership Conference put on by the STF last week and was renewed by the knowledge and sharing from that conference. Our staff will also be renewing their First Aid training on the May 5<sup>th</sup> weekend. Lifelong learning is not only for our students, but also for the staff in our school.

May promises to be a busy month. We have swimming days booked for our elementary and high school, a camping trip planned for grade 9-12's, track and field, financial literacy presentations for our middle years, a career expo for 9 & 10's, and so much learning! We will keep you updated about all the happenings in our school in the coming weeks.

I hope Spring is treating everyone well and that we have more spring-like weather in the forecast!

**Please make sure to keep contact information up to date.**

**Let the school know if there are any changes at any time!**

**Please limit disruptions to learning by calling your child at recess or noon hour. Please refer to bell times listed on school calendar.**

### **Mankota School Bus Routes**

Please note your child's bus route number. All notices on the PSSD website will be posted by the town and route numbers.

**Mankota 1  
Mankota 2  
Mankota 3**
