"Grow To Be The Best You Can Be"

Principal's Message – Mrs. Karla Silbernagel

We are near approaching our final month of school and it promises to be a busy one right till the end. May is ending on a high note for many of our athletes. Our archers finished their season at the Glentworth tournament and Will Rieder brought home a silver medal and Nick Emms won a first-place medal. Way to go, Mavs. Congratulations to Madison Kress, Sienna Baron, Austin Pritchard, Celina Pritchard and Kalleigh Achter who also had a good tournament and a lot of fun.

Track and Field has been front and center these last two weeks. We sent nine athletes to Moose Jaw to compete in the section meet. From that tournament, Kiera Williamson, Callum Loiselle, Deklen Hanson and Olivia Brisebois advanced to the South Central District meet also held in Moose Jaw. They all did extremely well, finishing in the top four spots in all their events. Deklen and Olivia (both first place finishers) will now go on to the Provincial tournament in Saskatoon on June 2 & 3rd. Best of luck to them as they finish off their track season. Thank you to Mr. Ficzel for taking the students to Moose Jaw and now to Saskatoon.

Our elementary track athletes will get to showcase their hard work and athleticism at Glentworth on June 1st. Once again, we will send our whole school to Glentworth to help them host this very large event. I know that extra help is always needed, so if you would like to volunteer some time, I know you won't be turned away. We will be sending students by bus to Glentworth, but if you are attending and taking your child, please let the school know.

Good luck to Kaitlyn Silbernagel who will attend the Provincial Music Festival in Regina on June 2nd. We wish her the best of luck as she competes in both voice and musical theatre against the best singers in the province.

Good luck to Kiera Williamson who is competing at the high school rodeo finals in Maple Creek this weekend. We know she'll make a good showing there! Ride strong, Maverick!

Our 9-12 students are spending Thursday, Friday, and part of Saturday camping at Cypress Hills Park for their year-end field trip. They will go zip-lining, geo-caching, orienteering, canoeing, and hiking. It promises to be a very physically fit few days. I know many memories will be made there and I look forward to hearing all about their adventures. Thank you in advance to Nancy, Suzie, and Roxanne who volunteered to drive and to Mr. Ficzel and Mrs. McCrea for all their hard work organizing and volunteering their time to go with these students.

Our school will celebrate our graduates on Friday, June 9th at 7:00 pm. Graduation is always such a special time for our school as we send our young adults off into the world. Please join us in celebrating each and everyone. On June 13th, our school will celebrate all our students at our annual awards day. Please consider this your invitation to attend this event. More information will be forthcoming in the next newsletter.

Just a reminder that there is still quite a bit of school left in the year. I know the days are longer and interests turn to outdoor activities, but try to keep the pace, students; you can do it!

Please limit disruptions to learning by calling your child at recess or noon hour. Please refer to bell times listed on school calendar.

Please make sure to keep contact information up to date. Let the school know if there are any changes!

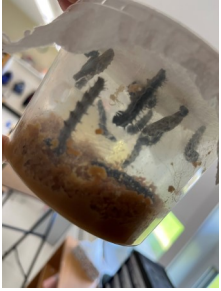

Mankota School Bus Routes

Please note your child's bus route number. All notices on the PSSD website will be posted by the town and route numbers.

**Mankota 1
Mankota 2
Mankota 3**
