

Principal's Message – Mrs. Karla Silbernagel

Well, the end of the 2022-23 school year is fast approaching, and it's been a whirlwind of busyness and activity. Grad, Awards Day, and field trips are just part of the June fun. Final exams will begin on Thursday this week and there is still much to be done before then.

It was an honour to celebrate our Graduates at their ceremony on June 9th. The graduates were beautiful in their fancy dresses, and we had a packed crowd to send them off. I want to thank the many people who attended and those who helped make this graduation ceremony special. Mrs. Christina Sayers does so many things behind the scenes to help with grad and she is a big part of the success of the evening. Thank you to all the staff who helped in any way. Thank you to Abraham for running the sound system, Mrs. Wilson for being MC, Mr. Ficzel, Mrs. Blair, Mrs. R. Sayers, Dr. Davidson, Tiffany Rode and Roxanne Brisebois for their speeches, Deklen and Kade for saying the Histories and Prophecies and to all the grads for their preparation for the evening. We wish Alexa, Olivia, Taya, Tianna, and Kaitlyn the best of luck as they go off to make their mark on the world.

On Tuesday, the 13th, we honoured all our students at the annual awards ceremony. All students received a marvelous and magnificent award (M & M) and we acknowledged our academic, athletic and citizen-minded students. We also celebrated Mr. Ficzel's 24 years of teaching at Mankota School and sent him off with speeches, gifts, cake, and lots of tears. We will miss him greatly next year but wish him all the best in his much-deserved retirement. Thank you to Mrs. Sayers for all her work helping get ready for Awards Day and her work on Mr. Ficzel's slide show. Thank you to all students and parents, past and present, who sent in stories, well-wishes, and remembrances of Mr. Ficzel. You helped make this day special! Thank you to all the sponsors of our awards day and to Kaitlyn Silbernagel for preparing the year-end slideshow. Thank you to Donette Calvin for making the delicious retirement cake.

Exams will begin this week. Please look at the exam schedule in the newsletter. Students will be allowed to leave after their exams if they are caught up in all their subjects. If they have any outstanding assignments, they will be required to stay and finish. Parent permission slips also need to be signed giving permission for their child to leave after exams. Report cards for all students will be out the following week. Please log on to the portal beforehand in case you need any help. If you need a new password or any assistance, please let us know.

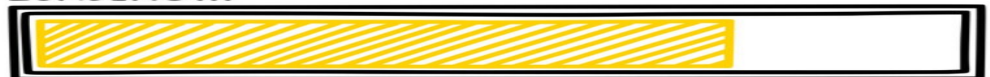

The K-2 class will be going to Swift Current for their field trip. They plan to learn about the watershed and play around in the water park. The grade 3-5's will be heading to Val Marie to learn more about the Grasslands National Park and the grade 6-8's will be doing their annual trip to the McCrea ranch to play games and do activities there. Thank you to Mrs. Stengler, Mrs. Seargeant and Mrs. McCrea for your planning and preparation and to all the parents who volunteered to drive.

We are still looking for another teacher to replace Mr. Ficzel. If you know of any teacher who may be interested, please send them to the Prairie South website for an application. You may also have them contact me for further information.

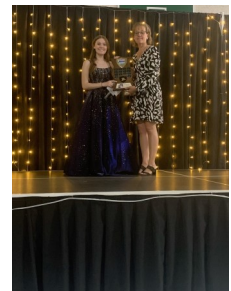

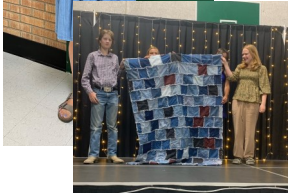

As this will be our last newsletter before summer break, I want to wish everyone a relaxing and rejuvenating summer. We are all looking forward to some summer fun and will be excited to come back in the fall. Enjoy the sun, water, and summer activities!

Kindergarten starts Septmeber 6, 2023						

Mankota school had the opportunity to participate in a dance program with SQx! Our kindergarten to grade 8 students received five, 45 minutes classes teaching them contemporary dance. Dance SQx focused their lessons on the themes of land, discrimination, fairness, teamwork, and passions. Our school received \$5000 from ParticipACTION to be used toward the dance program and physical education equipment for our school! Thank you Dance SQx for putting on an excellent performance for the students!
