

Principal's Message – Mrs. Karla Silbernagel

Welcome Back to the 2023-24 school year! Its wonderful to be back and into routine for another school year. We are so lucky to come back to a clean and shiny school, and we are so blessed that Mrs. Williamson takes such good care of our school over the summer. Thank you to her for all her hard work! She really does set the tone for the year.

I am so pleased to welcome some new Mavericks to our building this year. Mrs. Kelly Reid-Ward agreed to come out of her short- lived retirement and join our staff. Mrs. Reid-Ward brings a wealth of experience, knowledge and caring to our staff. Our students will be lucky to be under her tutelage. We are also welcoming Nicholas and Kailey Allard, Beckett and Finley Sauder, and three new Kindergarten students: Kase Baron, Brook Johnson, Hannah Seargeant. We are so pleased to have you join our Maverick family!

Our staff was very busy the end of August getting ready for another great school year. We met to determine our school goals for the year, plan activities, and receive some PD related to the Provincial Education plan. The School Community Council also met to go over the data from the Our School Survey and plan for how to support student learning and belonging in our school. I will be sharing our school goals with you all in the coming weeks.

The first day of school, we shared a great pancake breakfast before breaking into our House groups to do some activities. Thank you to Mrs. Sayers, Mrs. Schafer, Mrs. Seargeant, Mrs. Williamson and Alyson for helping cook the breakfast. We will be doing more house activities to support belonging and to promote big/little activities in our building.

Extra curricular activities will soon be starting. This year our senior boys and girls are in a co-op with Glentworth. The boys will be coached by me out of Mankota, and the senior girls will be with coach Jill Zahariuk in Glentworth. Mrs. Seargeant has also agreed to coach our bantam girls team. We look forward to cheering on our teams this season.

We are asking all parents, who may be driving students for sports and school activities to please return your driver information forms to the school. If you haven't had a criminal record check done for the school, it is necessary to do so. Criminal record checks are free if you are doing the work on a volunteer basis. Criminal record checks need only be completed once and put in our files. Please contact the local RCMP, Ponteix detachment, for more information. If you need a letter from the school, one can be made available.

Lastly, parents please remember to contact the school if your child will be absent. Effective communication goes a long way in helping us keep accurate attendance records. Please also contact the school, at any time, if you have any issues or concerns with your child.

Please mark September 20th on your calendar, as this will be the date of our annual Terry Fox Run. We look forward to having you attend this event and support cancer research.

I am looking forward to a fabulous school year!

If anyone has an over abundance of garden vegetables this fall, the Commercial Cooking class would gladly accept any donations you would like to make.

Welcome back!!

Last first day at Mankota School for these four boys!

Dates To Note:	
Sept. 20	Terry Fox Lunch and Run
