"Grow To Be The Best You Can Be"

Principal's Message – Mrs. Karla Silbernagel

Report cards for our elementary students went out last week. Please make sure you can access them. We invite all parents and students to attend our student led conferences which will be held on Wednesday, March 27 from 4:00-8:00. Report cards for high school students will be going out mid April, however, these conferences will be for all students and parents. Please come out to see what your child is learning and accomplishing!

Last Thursday, we celebrated the lovely weather by having a hot dog roast to welcome and encourage Spring to hurry up. Students enjoyed a group activity – reading their group's book to other groups and then spending some time outside making their lunch. Nothing beats hot dogs and marshmallows over a fire.

On Monday, we celebrated St. Patrick's Day and had our shamrock game. The K-2 also went to the Health Centre to celebrate St. Paddy's with our seniors. They entertained the seniors with songs and a nice visit. Thank you to Prairie View Health Centre for letting us come and spend time with these amazing people.

Thursday, we will Rock Our Socks to celebrate world Down Syndrome Day. We hope all students wear their brightest and mismatched socks to honor the day. We had to postpone our Hawaiian Day, but we will try to reschedule that for next week. (Can you tell we are ready for warm weather?)

Badminton is underway and some of our students will enter their first tournament this weekend in Assiniboia. Best of luck to our Mavericks who will be competing and thank you to Mrs. Stengler for taking the students to this tournament.

In addition, our archery club has now started practices. Mrs. McCrea will be coaching this sport for the next couple months and will have students attending a couple tournaments in the future. We look forward to having our students showcase their skills with the bow and arrow.

Easter break is fast approaching, and we hope everyone can get outside, enjoy the weather, spend some time with family and friends, and get a good rest in before the busyness of the final few months. Happy Easter from all our staff and students!
