## Principal's Message – Mrs. Karla Silbernagel

“Set your course by the stars, not by the lights of every passing ship.”

— Omar N. Bradley

Our time left in the 2023-24 school year is quickly diminishing and it seems that there is still so much left to do! May and June seem to fly by with all the events happening one after the other!

This month we took our students to the Gravelbourg Aquaplex to go swimming. K-5 went earlier in the month and the grade 6-12's went last week. They all got the opportunity to show off their swimming skills. Thank you to Darla for driving the bus safely there and back both times.

We took our students to high school track in Moose Jaw on May 21<sup>st</sup>. We had a wonderful but cold and rainy day as our track students competed in the section meet. We took nine students to the meet, and we have four students who will return next week to compete at the District meet. Good luck to Deklen (discus), Callum (discus & shotput), Kiera (high jump & long jump) and Nicholas (javelin) as they compete in their respective events. If our high school students make the top three, they will be off to Provincial track the weekend of June 7th and 8th. Thank you to Mrs. McCrea for coaching and to Suzie Loiselle and Nancy Anthony for getting us to Moose Jaw.

We look forward to taking our elementary students to track on June 6 at Ecole Gravelbourg. Students have been busy preparing for this event, and we hope to have a great day showing off the athleticism in the school. The alternate date for track will be June 11<sup>th</sup>.

Thank you to everyone who supported the Growing Smiles fundraiser! We appreciate your support to fund student activities in the school. Flowers were delivered yesterday, and they looked beautiful. Thank you to our SCC president, Lorena Gillespie, for organizing this fundraiser and to Mrs. Sayers and Mrs. Schafer who helped do all the sorting and phoning and moving of flowers (multiple times).

Our graduation date is this weekend and I'm very excited to be celebrating our four young men and wish them the best as we send them off into the world next year. Kade Collins, Deklen Hanson, Will Rieder and Colby Sayers will be centre stage on **Saturday, May 25<sup>th</sup>**. Please come out and help give our Mankota Mavericks a very good send off! The ceremony will start at **7:00 pm** and everyone is welcome to attend. Congratulations to our boys on completing 13 years of education and it seems appropriate that the theme this year is, **“The bad news time flies, the good news is you're the pilot”**.
