"Grow To Be The Best You Can Be"

Principal's Message – Mrs. Karla Silbernagel

It's hard to believe that Christmas break is upon us! It has been a busy fall, and we are excited for a much-needed break. I want to thank our K-8 group for putting on a great Christmas concert for us last week. We were definitely put into the Christmas spirit! I want to thank Mrs. Seargent for leading our play, picking roles and getting our students ready to perform. Thank you to Mrs. Reid-Ward and Mrs. Stengler for all their work getting students ready, finding costumes and helping. Thank you to Mrs. McCrea for her musical talents and sound system work. Thank you to Mrs. Sayers for making programs and helping where needed and thank you to Mrs. Schafer and Mrs. Gillespie for helping students behind the scenes! Many hands make light work. A huge thank you goes to everyone who braved the elements and came to watch the hard work of all our students.

School spirit has been alive and well in our school. The SLC planned a variety of spirit days, and we have enjoyed dressing up to match the day. Thank you to all the students for dressing up and having a little fun. We look forward to having our Christmas dinner on Friday to celebrate the holiday season and have a day filled with fun, games, crafts and laughter. Thank you, in advance, to all who planned, participated and made the day fun!

Unfortunately, our skating day was cancelled due to weather conditions. We hope to reschedule a day in January, so all our kiddos get to have a skating day.

On behalf of the staff and students of Mankota School, we wish everyone a very Merry Christmas and Happy New Year! Enjoy the break and each other.

The staff and students of Mankota School wish you a
