OTHER ELECTIVES

- **Personal Sports Training 30 (Application)** Students in grades 10-12 have the opportunity to further develop their physical capacity through our personalized sports training program. The program is open to all high school students and is based out of Peacock Collegiate. Students can improve their skills in a particular sport, receive personalized training from a certified fitness coach, and earn credits while doing it.
- **Musical Theatre 30**
- **Leadership 30**
- **3D Studio Art 30 (Sculpture)**

Program Opportunities

- ▶ **Dual Credit** Dual credit programs are Ministry-approved programs that allow high school students to take post-secondary courses and/or well-defined programs offered by other entities. Dual Credits provide alternative pathways to graduation by allowing high school students the opportunity to earn high school credits, and post-secondary credits or other program recognition concurrently in the same course.
- ▶ **Volunteerism Credit** A Volunteerism credit is offered to students for community service activities that may take place in a variety of settings, including businesses, not-for-profit organizations, public sector institutions (including hospitals and long-term care facilities), and informal settings.
- ▶ **Apprenticeship Credits** Students employed under the supervision of a journeyman in a job which the hours worked are eligible for apprenticeship time credit through the Saskatchewan Apprenticeship and Trade Certification Commission may earn up to four secondary level Apprenticeship Credits on the basis of work proposed and completed by the student. Apprenticeship A20, B20, A30, and B30 may be used to fulfill the requirements for graduation, and to meet the PAA/Arts Education credit requirements. Only students who are enrolled in a secondary school in Saskatchewan and are employed in a trade are eligible for Apprenticeship Credits.
- ▶ **Special Project Credits** Special projects are student-initiated and designed to encourage the pursuit of learning in an area of personal interest or passion. The content of the special project(s) need not be related to a specific school subject.
- ▶ **Course Challenge** Course Challenges recognizes that some students are able to demonstrate a high level of achievement of the learning outcomes of a particular course without spending the required hours enrolled in the course. A maximum of two course challenge credits may be attained at the 10 or 20 level. A mark of 80% or higher is required to receive credit recognition.
- ▶ **Learning on the Land** (Grade 10 by application) Learning on the Land is a 5-credit cross-curricular course offered in the second semester of the school year. The program focuses on outdoor learning experiences as opposed to learning in the classroom. Throughout the course, students will experience activities such as canoeing, camping, hiking, fishing, plant identification, water and soil sampling, and much more. The five credits that will be obtained are Wellness 10, Native Studies 10, Wildlife and Habitat Studies 10, Environmental Science 20, and ELA 10.

Flex Programming

- ▶ Global Sports Academy
- ▶ Golden Ticket
- ▶ Sowden Flanagan Baseball
- ▶ GAP Fitness

have partnered with Prairie South School Division to provide athletic opportunities for students to further develop in their area of interest.
