Principal's Message

There's Lots to Celebrate!

As most of you are aware, beginning in September, Rouleau will be hosting a Pre-K program for eligible students in the Avonlea-Rouleau catchment areas. Up to 16 Pre-K students will attend Rouleau School every other morning, taught by Mrs. Florek, who will also be our Kindergarten teacher. Mrs. Thome will be a full-time educational assistant in the Pre-K classroom, providing two adults at all times. We are very eager for this new opportunity!

We are also excited to welcome Mrs. Michelle Bean as our new Grade 5/6 teacher, and Mrs. Kendra Baber as our new Student Support Teacher.

While we are sad to say farewell to our two retirees, Mrs. Morris and Mrs. Chernick, we will be celebrating with them as a school and community on June 28th at a BBQ luncheon. More information on this event will follow, but mark the date on your calendars and spread the word!

Last Day of Classes

Track & Field

We had an excellent track season. The Rouleau Rebels were 22 strong to north sectionals and returned the following week to districts with 16 athletes. We came in second with school points at sectionals and fourth at districts, which means we finished behind the three Moose Jaw high schools.

First congratulations to Brandon Rumford who is moving on to Provincials in both the 800m and 1500m – nicely done!

Second congratulations to Ethan Armstrong who won the sectional aggregate with 1st's in high jump, triple jump, 100m and 200m. He also won the district aggregate with 1st in triple jump and 100m, 2nd in 200m and 3rd in high jump. Great job!

Finally, congratulations to Jaydon Forrester for 1st in long jump at districts.

We are very proud of our athletes as many finished within the top three at sectionals and districts.

Way to go Rebels – Olivia Burkitt, Cole Clarke, Rylan Copeland, Kennedy Nolan, Jamie Rumford, Sydney Waller, Brady Burkitt, Ethan Armstrong, Will Dobson, Jaydon Forrester, Jireh Lavallee, Carson Clarke, Kendra Gilchuk, Raea Gilroy, Paul Hughes, Madison Krauss, Tiernan Arnason Soeder, Hunter Geran, Brandon Rumford, Jade Copeland, Brant Perkin, Angela Chernick.

Jump Rope for Heart

On May 13, Kindergarten to Grade 6 students participated in Jump Rope for Heart activities which included skipping outdoors to music, shooting for baskets in the gym, making a beaded jump rope person, and learning to recognize the signs of a stroke. Students collected \$1 500.00 in pledges for the Heart and Stroke Foundation. A special mention to Avery K for being the top fundraiser by collecting \$150. Thank you to everyone who supported this worthwhile cause.

Time of Our Lives

Congratulations to our Grade 12 students who celebrated their graduation on Saturday, May 28.

Where Are They Now?

Sidni Thome, Rouleau School, Class of 2011

I graduated from Rouleau School in 2011 and began my Elementary Education Degree at the University of Regina that fall. I joined the Education Students' Society as a general member in my first year as well as the Residence Community Council to become involved on campus. Being a part of these groups was a valuable experience and I continued to take on more roles in my second year as a U of R Ambassador, volunteering with the UR Guarantee Program, and as the VP of Finance for the Education Students' Society. Through my volunteer work and involvement I was recognized as the University of Regina Ambassador of the Year, Residence Citizen of the Semester, and the UR Guarantee Education Student of the Year.

In the third year of my degree I was the President of the Education Students' Society. As President of the ESS I organized and facilitated an outreach program with other ESS members in Regina called Project Connect. This program involves Education Student volunteers to run theme days around Health, Science, Art, and Physical Education in community schools. This role also includes attending President Meetings with University of Regina Student Union and overseeing various committees and events within the ESS.

After my internship I worked a casual Educational Assistant in Regina Public Schools during the last semester of my degree. This was beneficial to gain experience working with students, observe teaching strategies and classrooms, and see many different schools. I graduated from the University of Regina with a Bachelor of Education in June 2015 with Distinction. At the end of the school year I was offered a position with Regina Public Schools and am happy to have a classroom of my own teaching a dynamic group of Gr. 4/5 students at Albert School.

Alex Angus, Rouleau School, Class of 2015

I am currently working at *All 'n All* Construction in Moose Jaw. I am in the process of starting my own framing and renovation business. Next winter I plan to do my first year of carpentry apprenticeship, soon to be followed by my framing ticket and eventual journeyman status.

Matt Warren, Rouleau School, Class of 2013

I work for Melvin Krauss and am loving it. When my loans are paid off I plan to put my funds into recording. I have enough songs for two albums, but just need to start getting them made into hard copies.
