Dear Sunningdale School Families,

Sunningdale School is excited to participate in the Salvation Army Adopt-a-Family program again this year; like many things, this year will look a little different. We want to thank you for your past generosity and support. Last year Sunningdale was able to adopt 8 families. We would like to ask for your support again to help make Christmas a little brighter for a number of families in need this year.

The Salvation Army-Adopt-a-Family program is not able to accept perishable items at this time due to Covid-19 restrictions. Sunningdale will also not be getting specific families this year. However, the program coordinators indicated that they are most in need of toys to pair with the hampers that they will be buying groceries for. There are several children to purchase for, toys can range from newborn to 13 years old. Children aged 14 and older no longer receive gifts, but they do like to include gift cards for the teens. If you would like to donate cash, we will put this money toward gift cards and food purchases. The Salvation Army will also accept non-perishable food items. Please see a list below of items from previous years and a few other things we think could be helpful to complete the non-perishable part of the hampers. These are only suggestions, please feel free to donate any non-perishable items you wish.

If you would like to contribute any items from the list below, please send them to the school with your child and the classroom teachers will collect them. Please have any cash, gift cards or non-perishable items to the school by **Thursday, December 10th**. If you have any questions please feel free to call the school office or email daniel.lacey@prairiesouth.ca Thank you!
