We hope you have a great summer and we will be here to support you in the transition back to school in September.

Prairie South Schools will be in touch with families in August to provide additional information about school in the fall so that you have time to speak with your children about things that may be a bit different at school next year.

School Supplies for Start Up

We would like to start off the school year with students bringing as little as possible into the building. We ask that all families send each student with a small container of their very own hand sanitizer and a refillable water bottle. The school will provide all other supplies needed to kick off the 2020/2021 school year. In the fall, we may send home a small list of other supplies. We will keep you posted!

Families Relocating

We are busy planning for the new school year. If you will no longer be attending Westmount School in the 2020-2021 school year or are planning to move to a new residence in Moose Jaw, please notify the school by email or by leaving a message at 306-694-5999.

Stay Active and Keep Learning

The School Community Council and Westmount School are encouraging all students to use their Summer Swag Bags to stay active and keep learning.

Farewell and Good Luck Grade 8's

Congratulations to our grade 8's for completing their elementary education! The year ended a bit unusual, but it does not take away from the hard work, effort, and accomplishments this group has demonstrated in the past 9 years. Our grade 8s this year were an energetic, funny, and determined group. They were leaders on our sports teams, in our choir group and in our clubs. They helped organize our Halloween activities, Christmas concert and talent show. Our grade 8's were the kind of students that appreciated great music like John Denver, "Take Me Home, Country Roads", and singing it for all to hear. Their enthusiasm will be missed.

We would like to wish you the best of luck as you move onto the next chapter.
