

Westmount Weekly

School Mural

This past week at Westmount School there has been a flurry of activity. Students have been practicing their fire drills, students wore Orange shirts in support of those who experienced the tragedy of residential schools, and we came together as a school to participate in a school wide mural that will go up in the hallway this coming week. Here are some of the feathers that were created for this special mural. Our monthly mantra for this past month is **I am a valued member of the Westmount community**. We will post a picture of our school project when it has been completed.

Mrs. Taylor Retires!!

We would like to wish Mrs. Taylor a wonderful and relaxing retirement. She has been a positive influence on many students here at Westmount. We will miss her! Come back for a visit soon!

Orange Shirt Day- September 30th

Many Westmount students wore Orange shirts to school on Wednesday, September 30th in support of a better future with Truth and Reconciliation awareness. Students learned about the Phyllis Webstad story, the impact of residential schools, and how Orange Shirt Day started.

S.C.C. Meeting

On Tuesday, October 6th at 7 pm in the school gym, our School Community Council will be having their annual meeting and elections. We are always looking for new parents who would like to get involved in their child's education and fundraising events. We look forward to seeing some new faces!

Terry Fox

We would like to thank all students and staff who donated to the Terry Fox fund. Our school raised \$134.10. A huge thank you to all students and staff who met their walking challenge for Terry's 40th anniversary. Thank you to Mrs. Arndt for getting us all organized 😊 Great job, Westmount!
