5) FIRE DRILLS: When the fire alarm sounds, students proceed immediately from the room, through the designated exit, to a safe area outside the building. A bell will sound to indicate students may re-enter the school in an orderly manner. **It is essential students have proper indoor shoes on their feet.**

Information will be relayed to PSS 9th Ave. NW Office (694-1200) or the evacuation centers. **DO NOT** use your cell phone to try to contact students.

7) APPROPRIATE SCHOOL ATTIRE:

Headwear: Students are to remove hats, toques, bandanas & hoods when they have entered the school and arrive to locker/class.

Footwear: Students must have a pair of indoor non-marking shoes for gym and classroom use. Upon entering the school students are to remove outdoor footwear, place them on the boot racks & use their indoor shoes.

School Attire: WG's guidelines are expected:

- 1) no clothing with profanity, vulgar, offensive gestures or racism/sexism--written or pictured.
- 2) no clothing promoting tobacco, alcohol or other drugs, inappropriate lifestyles, etc.
- 3) undergarments are not exposed and no low cut tops and/or sheer tops are to be worn.
- 4) clothing should basically not be a distraction to others and the learning environment of classrooms and/or the school.

8) SAFETY PATROL: Safety Patrols are operated by school staff and student volunteers. The Safety Patrol does not take the place of

good traffic safety habits. The School Safety Patrol may not always be on duty due to unforeseen circumstances/inclement weather.

9) STREET SAFETY/TRAFFIC:

Students should:

- go straight home at dismissal time
- not talk to strangers or accept gifts or rides from strangers
- report anyone trying to stop them while on route to and from school
- use crosswalks and obey Safety Patrollers (and we trust adults will also)

10) BICYCLES AND SAFETY: The school has no responsibility for lost or damaged bicycles, scooters, long boards, skateboards or roller blades. Students riding bicycles or other to school should:

- a) park bikes at bicycle racks or place others in their lockers or school back entries.
- b) lock up their bicycle.
- c) be aware of and follow all traffic rules.

11) MEDICATION TO STUDENTS: School personnel are not permitted to issue medication such as aspirins, Tylenol, etc. At times students may require prescription medication to be self-administered at school. A completion of a PSS 210 form is then required with a Doctor signing.

12) SNACKS: Please send nutritious snacks wrapped in an environmentally friendly manner. Gum, candy, chips & sunflower seeds cause maintenance problems in & around the school. **We are a nut-free school. Please do not send snacks/lunches containing nuts/nut products. If delivering treats check with staff members of your child first please.**

13) SCHOOL DANCES: Planning and facilitating dances is a joint effort of the staff and students. Dances are from 6:30 p.m. to 9 p.m. Students may be excluded from dances as a result of inappropriate behavior at school.

14) LOCKS & LOCKERS

Grade 4 to 8 students are assigned hall lockers and school locks. **Students should keep lockers locked at all times.** Lockers are school property and must be kept neat and clean. Students may be requested to open a locker for inspection. Gym baskets are available to middle year students.

15) INCLEMENT WEATHER: Ensure children are properly dressed for the weather and that they arrive at the school only a few minutes

prior to the 8:50 a.m. and 12:35 p.m. bells. Staff will, on cold days, allow students to come through the south doors to warm up before returning outside. On extremely cold days (wind chill of -28°C or greater), students may come into the school through the south doors.

16) PERSONAL ITEMS

-CELL PHONES AND ELECTRONIC DEVICES: Cell phones, cameras, iPod, and other electronic devices are to be used in accordance with school procedure. As cell phones can be disruptive to the learning environment, we expect cell phones to be out of staff's sight while students are at school (to be in locked lockers). Because of privacy issues, cameras may be brought for teacher requested activities only. The school has no responsibility for such items brought to school on own if lost, damaged or stolen. Devices will be asked for by staff if any inappropriate use of such devices occurs.

-TOYS, TRADING CARDS AND OTHER:

As a general guideline, items from home such as toys, collections, or other items not directly related to the classroom should not be brought to school. These items create a distraction in the classroom and a disturbance on the playground. Exceptions *may* be considered if specific objects are required as a part of a student's Inclusion & Intervention Plan (eIIP). The school has no responsibility for such items brought to school on own if lost, damaged or stolen & also will be asked for by staff if inappropriate use of.

17) YEARBOOK: A yearbook may be published containing individual photographs of students as well as write-ups and candid pictures of school activities. If your child's picture is **not** to be placed in a yearbook we ask that you contact the school in writing to indicate your request.

If at all possible families should make arrangements for students to go home or out for lunch with family members whenever it can be arranged, as research proves breaks from school enhances the afternoon learning as well as strengthens family bonds.**

6) SCHOOL NEWSLETTER: Newsletters contain information relevant to the school program and are published the first day of each month. **The newsletter is also posted on our website and will be e-mailed to homes.**

7) BULLYING: We strive to create a school and community free of bullying. Anti-bullying information is provided through class instruction & activities throughout the year. Parent support & involvement is critical to make this program successful as bullying is recognized as a societal issue in our world, not just at schools. All students & school community members have rights & responsibilities associated with those rights & are accountable for their own behavior.
