‘EXTRA INFO’

Welcome to the 2020-2021 school year! As you can see our school supply lists look a little different this year. We have purchased a large majority of items to ensure a solid start for the new school year. We are asking that you only send what is on the list. There may be a slight chance we ask you to bring something later in the year but as of now the chances of that are small.

Homerooms, the door your child(ren) will be using, and any other beginning of the year procedures and protocols will be send out closer to Sept 1st. Please be patient as things can and are changing quickly in these unprecedented times.

Pre K & K have got directive directly from their teachers on the start of their school year, supplies, and orientation.

If you have any questions please contact me at heshka.robin@prairiesouth.ca
